Editor's Note: The Press will feature each week a sports column by Jim Leech, Tartar lineman. The column will include an analysis of the coming game as well as coverage of each past game.

By Jim Leech  
With two weeks of good hard football practice under their belts, the Torrance High School version of the 1950 varsity football team is beginning to look like an organized fighting machine.

With the fine coaching staff of Rex Welch and Cliff Gray-

bel, the team shows lots of spirit and determination.

Coach Graybehl is doing a great job as line coach. He really keeps that forward wall hustling. Teaching the boys how to block and tackle is no easy job.

Rex Welch, backfield coach, hasn't let down for a minute. Keeping the back field clicking and running smoothly takes a lot of timing, and brain work.

Missing from the line "via" graduation are such stars as Wendal Vaughn, and Boyd Crawford who formed that great pass combination which was one of the main stays on the '49 team. Also missing are Frank Costa, Herb Dimon, and Pete Douroux.

Back this year are co-captains Jack Faren and Aramis Dandov. Crawford up from the B's is doing the quarter backing.

Joe Clevenger and Glen Boyce will do their share of packing the pigskin. Jim Murphy and Berel Jones will see a lot of action also.

The line shows much possibility with Ted Marcoux and John Spiller out for center.

Slated for guard duty are Harvey Rushfeldt, Bill Gray, Frank Schmidt and Dick Ferguson. Ferguson is a three year letterman.

Tackles include Ge Ge Johnson, a great little tackle who weighs in at 190, plus Bill Koehn, Gary Barkdull and Chuck Bingham.

End Cal Browning is another three year letterman who will do his bit in the line of duty. Ray Kelly, Tom Pyror, and Fliny Baker are working hard for an end spot on the team.

Practically every member of the team has had one or more years of football experience.

On the whole the Tartars are a light team who face a tough season. But what they lack in weight they make up in spirit.
